The "Palais d'Oxford" is a comfortable, perfect dwelling.

At the heart of a peaceful, quiet area of Cannes not far from the "Croisette" on a 7,000 m2 site rich with hundred-year old trees and Mediterranean spirit, we have built the Palais d'Oxford from an ancient esteemed hotel built at the end of the 19th Century. In perfect harmony with the surrounding environment, the building has been completely renovated boasting high quality finishes and specific modern elements.

The apartments are designed with luxurious finishes, esteemed marble and parquet in keeping with the spirit of the period, solid oak doors and windows, jacuzzi tubs and cold/hot air conditioning systems. The "Palais d'Oxford" is equipped with large, covered, heated swimming pool, gym and sauna, garage and car parking area with lift to floors above, door service with security system.
